Returned with compliments. The Kolar district
(exclusive of Kolar gold field) requires
150 tons of rice to be supplied from outside,
and is in a position to send out 7000 tons of
ragi. It would therefore be to our advantage
to permit the export of not more than 150 tons
of ragi to the Madras Pres
in exchange for the same quantity
of rice or double the quantity of ragi.
It would be for the Deputy Comr to decide
the exact localities from which the
export receipts should be allowed.

Respectfully

Govt. Secy

B. Venkoba Rao, Esq., B. A.,

Offg. Deputy Commissioner,

Kolar District.

To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Government
of Mysore, Bangalore.

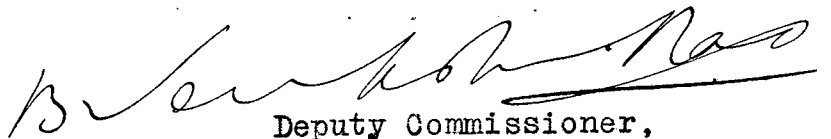

Sir,

I have the honour to forward herewith a copy of letter No. 4935 dated 22nd November 1918 from Mr. A. Galletti, Acting - Collector of Chittoor and to request the favour of early instructions on the points raised by the Collector.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

M.K.

Kolar District.

Letter No.4935 dated 22nd November 1918 from the Collector of Chittoor, to the Deputy Commissioner of Kolar. (5)

Two months ago, your Durbar agreed with my Government that normal grain traffic by road should continue to be permitted between your province and my district. As a matter of fact, however, normal grain traffic has almost entirely ceased. The shandies at Madanapalli, Palmaneer etc are not getting the supplies especially ragi that they used to get from Chintamani etc and the shandies in your District are not getting the supplies of paddy etc, that we used to send. Obviously, mutual interchange of grain between the villages on the two sides of the border can only be to the advantage of the respective populations. I see from a speech of Sir M.Viswesara Ayya reported in the Newspapers that the stocks of ragi in Mysore are four times as great as the stocks of paddy. In my district, on the other hand, the stock of ragi has fallen very low while some of the villages on the Mysore border still have stocks of paddy. I therefore propose to you that you should at once issue a permit for 50 cart loads of ragi to be sent to Madanapalli. The permit may be issued to the Sub Collector, Madanapalli and may be sent to him direct immediately and he will arrange for the subscription of the purchase money. In return the Sub Collector will issue permits for the transport to your District of 50 cart-loads of paddy from Kandakur, Peddatippasamudram or other villages which have stocks. I suggest that it is unnecessary for either of us to make a reference to our respective Directors of Civil Supplies or our Governments. The Governments and Directors have already agreed that normal traffic by road should be allowed. It remains for us to give effect to their orders, in spite of any stupid opposition on the part of Tahsildars, village-headmen and other under-strappers who seem to have constituted themselves into Directors of Civil Supplies for their jurisdictions.

"Copy",

Deputy Commissioner,
Kolar District.

The Dy Comm
Kolar Distt.

Sir,

With refer to your
letter no: 537 of the 27th Nov
1918. requesting the order of
Govt on the proposal of the
Collector of Chittoor to allow
the export of 50 cart loads
of ragi from your Distt
~~charge~~ exchange for

over.

Similar quantities of paddy
 which is would allow, I
 am directed to state that
 it is expected that there shall
 be 50 tons of paddy ^{from you or} to the Madras
 Free Store which may be permitted
 to exchange for the same
 amount of paddy, and as the
 quantities of paddy, the
 exact quantities from a lot
 which the exports a surplus
 should be allowed, being
 decided by you in consultation
 with the Director of the
 British Port Commission.

Yours faithfully

C. S. S.
